

## Northern Powerhouse (UK) Trade Mission to the Netherlands, 4 – 5 October 2017

### Delegate overview

<a href="#">Allegro Optical</a>	Opticians who specialise in correction of musicians. We are looking for freelance musicians or musical institutions around the world to make them aware of our innovative new lens designs which improve musicians visual field and improve performance and posture.
<a href="#">ALTEA 1 Ltd.</a>	Ladies bespoke garments
<a href="#">Catherine Davis Designs</a>	Experienced UK based textile, surface pattern designer and digital artist looking to market a successful licenced design range through commercial agency agreements or sub-contracting opportunities with manufacturers worldwide
<a href="#">Cohorted</a>	Cohorted was launched in the United Kingdom in 2015 and aims help consumers discover the best beauty and lifestyle products through monthly edits of curated, full size and deluxe samples. Each box includes a mix of products across categories - from cosmetics, skincare and fragrance to body and lifestyle extras. We aim to represent an important trend in the evolution of retail discovery experiences for both brands and consumers. We are seeking to connect with retail brands predominantly in the luxury beauty sector.
<a href="#">Dignity Wear Ltd</a>	Dignity Wear provides modesty undergarments for both men and women which provides discreet physical cover for both men and women during routine medical based procedures such as a smear or prostate test.
<a href="#">Dollie Jewellery</a>	Wholesale manufacturer of silver jewellery brand "Dollie Jewellery"
<a href="#">Don't Feed the Bears</a>	Don't Feed the bears is an independent UK clothing brand, owned & run by husband & wife team Tom & Lucy Young. We specialise in t-shirts, jumpers and vests with quirky illustrations of bears on. This year we have also launched a fun little colouring book & enamel pin badges.
<a href="#">FUNSHACK LTD</a>	FANCY DRESS MANUFACTURER AND DISTRIBUTOR
<a href="#">Funslinger Ltd</a>	Funslinger Limited is on a mission to facilitate and encourage healthy lifestyles, by creating alternative fun activities and new games. Working with a team of enthusiastic and passionate inventors, the company has started in dramatic fashion with the patented Funslinger, an award winning outdoor high performance sports toy. Funslinger is the "laugh a minute fantastic fun" sensational new throw and catch game. Fully tested compliant and approved we are now ready to investigate and develop an overseas market. We will be delighted to start with the Netherlands and our other neighbours in Europe and are looking for distribution and retail partners to grow the business.
<a href="#">Hair Tools Ltd</a>	Hair Tools Ltd are one of the leading UK distributors of professional hairdressing products, with premium brands recognised within both the professional and retail markets. Products include hair dryers, electrical styling, brushes, scissors and a large variety of other professional sundry items.
<a href="#">Harper's Candles Limited</a>	Harper's Candles is a proud Yorkshire handmade artisan home fragrance company, specialising in soy wax candles. In more glorious fragrances than you can shake a very large stick at.

<a href="#">Hasso Fashion Ltd</a>	Hasso is a new fashion brand based just outside Newcastle upon Tyne, making shirts and cufflinks for men and women. Hasso's products are currently stocked by a number of independent retailers across the UK, and they are also sold direct to customers from the company's webstore. Our target market is young professionals, working in offices, who are trend-aware.
<a href="#">Hicks &amp; Weatherburn Ltd</a>	Hicks & Weatherburn manufacture water based decorative paints and coatings.
<a href="#">Joe's Toes</a>	I design, make and sell craft kits for slippers and other craft supplies. I also sell a limited number of hand-stitched slippers. Almost all my sales currently are B2C. I am happy with this model as my margins are quite tight (not helped by current exchange rates).
<a href="#">Louise Watson Glass</a>	small framed glass art & jewellery
<a href="#">Luxe England Limited</a>	Luxe England Ltd. owns the brand Niré Beauty which develops and markets a range of premium make-up brushes and beauty accessories for travel and organisation.
<a href="#">MBS HealthWatch</a>	MBS HealthWatch is a consumer wearable health band that monitors location, heart rate, steps, sos. To be worn by elderly, at risk people so their loved ones can ensure they are OK via alerts and updates via mobile device/web portal. I am looking for retailers who can help sell to consumers. The device has been cleared 'CE' for use in Europe
<a href="#">Nature's Kids Ltd</a>	Nature's Kids is an online retail store specializing in ethically produced children's wear. We primarily sell organic cotton clothing from Scandinavia as well as a select number of British brands.
<a href="#">Primo Distribution</a>	We are a distributor of health and beauty products in the major UK supermarkets and pharmacies
<a href="#">tractor Creative T/A Bettyhula</a>	Bettyhula is a natural ingredient skincare brand that targets the gifting market along with 35+ women. It has been trading for 5 years. All product is made in Yorkshire (UK). The brand has a vintage/Hawaiian feel with a strong emphasis on tropical scents. It has picked up traction from individual quirky boutiques, online retailers, chemists, through to high-end department stores. We are looking for similar customers overseas. Our products are: Hand cream, body moisturiser, hand wash, facial/body oil, bath salts. The handcream won 'best everyday hand cream' this year in an international beauty competition.
